

Registration for Digital Certificate at the Hospital in Rosario

First of all you will need to book an appointment with this very helpful lady via email

Once your appointment date and time is confirmed you will then need to find her office in the hospital. We suggest using the following route:

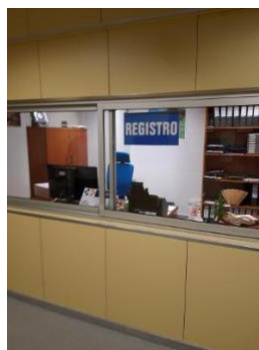

1. At the door of the hospital, people in masks are ready to greet you in the outer reception area and point you in the correct direction, but because your appointment is not a medical appointment they will not be able to find it on the registration system – so DO NOT follow their advice.
2. Instead take the left hand doorway off this front portal
- 3.

You will then find yourself in the main reception area with various desks behind glass screens in front of you. Ignore the desks and instead, take the left hand corridor

4.

You will walk past a registration on your left hand side as you continue down the corridor

5.

And then pass some large windows on your left hand side about halfway down

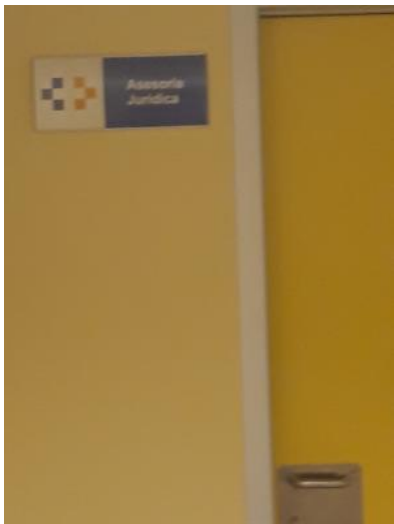

6.

Look for a corridor on your left hand side with the following sign over the door

7. Head down this corridor past the disabled toilet on your right hand side

8. Take the 3rd corridor on your right

At the end of this corridor you will see a door facing you with this sign next to it. ASSESORIA JURIDICA

The office you need is the one on the right hand side of the door facing you at the end of the corridor

HAPPY HUNTING!
